SPECIALTY SAUCES & MORE
Authentic Sauces, Dressings, Oils & Marinades

In 1974, self-taught Chef Sal Impastato and his family opened a humble little Italian restaurant in Lacombe, Louisiana. Customers come from all over Southern Louisiana to get a taste of where Creole Italian has been perfected. The tantalizing home-made sauces have been handed down for well over one hundred years in Italy. After years of customers pleading for the recipes, Sal decided to compromise and started packaging his specialty sauces, marinades, salad dressings and olive oil and salads. Today, Sal & Judy's Products LLC includes 10 total products, from the original tomato sauce to marinades, olive oil and olive salad. Now you can have the authentic taste of his restaurant in your kitchen. Stop by booth #9573 at NRA to find out how!
